For the information of Indianapolis, Memphis, and Miami, the Louisville Office has been requested to identify all purchasers of 1970 Buick Electra 225s, who made such purchases following the model's introduction in September, 1969, and through the middle of October, 1969. The significance of this vehicle arose from the information elicited from contacts of the subject GILLY who identified such an automobile in possession of "TONY", who reportedly was the individual who let the contract to GILLY for the YABLONSKI murder.

Knoxville furnished a summary of the information available regarding this individual and requested owners of 1970 Buick Electras be identified and contacted to determine if they might be identical with "TONY."

FOR IMMEDIATE RELEASE, FEBRUARY 5, 1970

FBI Agents today arrested another individual in East Cleveland, Ohio, in connection with the cold-blooded murders of union leader Joseph Yablonski and his wife and daughter in Clarksville, Pa., Attorney General John N. Mitchell announced.

FBI Director J. Edgar Hoover identified the arrested person as Annette Lucy Gilly, the wife of Paul Eugene Gilly, who was arrested by FBI Agents on January 21, 1970, in connection with the same crime. The FBI Director commented that Mrs. Gilly was taken into custody by FBI Agents on the basis of an indictment returned today by a Federal Grand Jury in Cleveland, Ohio, charging her with interfering with the rights of a union member by force or violence, obstruction of justice, and also conspiring with others to interfere with the rights of a union member by force or violence. Penalties for the Federal charges against her range up to five years imprisonment and \$10,000 fine.

Mr. Hoover advised that Mrs. Gilly, age 28, was formerly employed as a waitress and is a resident of 1846 Penrose Avenue, East Cleveland, Ohio. Her husband, Paul Eugene Gilly, a house painter from East Cleveland, Ohio, was one of the three individuals who were similarly charged by

FBI Agents on January 21, 1970. The other two, Aubran Wayne Martin, a laborer from Cleveland, and Claude Edward Vealey, a resident of Cleveland, were also charged by the FBI on January 21, 1970, and are in Federal custody. The three also face murder charges filed by Pennsylvania authorities and the Federal Grand Jury in Cleveland, Ohio, returned an indictment on Thursday, January 29, 1970, charging them with violations of various Federal laws; specifically, the indictment charged them with conspiring together and with other individuals to kill Joseph Yablonski, who was to be a witness before a Grand Jury convened by the U. S. District Court for the District of Columbia, and also with killing Joseph Yablonski and thereby interfering with and preventing the exercise of a right to which he was entitled by Federal law.

The FBI Director stated that today's indictment specifically charged Mrs. Gilly, among other things, with attending various meetings at various places, including Cleveland, Ohio, and LaFollette, Tenn., in furtherance of the conspiracy to kill Joseph Yablonski. The indictment also charged her with assisting Paul Eugene Gilly in obtaining weapons which were in the possession of Gilly, Vealey and Martin when they entered the Yablonski residence.

She is also accused of making a telephone call on or about December 30, 1969, in an attempt to borrow an automobile and returning the borrowed automobile on December 31, 1969, which automobile was used by Paul Eugene Gilly, Vealey and Martin to travel from Cleveland, Ohio, to Clarksville, Pa., and return to Cleveland.

Mr. Hoover added that today's arrest is part of the FBI's continuing nation-wide investigation into the murders of Mr. Yablonski, his wife, Margaret, and their 25-year-old daughter, Charlotte, whose blood-caked bodies were found on the afternoon of January 5, 1970, in their residence at Clarksville, Pa., apparently having been dead since December 31, 1969.

Mr. Hoover advised that Mrs. Gilly will be taken before a ^{Committee} ~~Commission~~ Magistrate as soon as possible.

RE CV TEL FEBRUARY SIXTEEN, EIGHT FORTY PM.

BASED UPON THE DESCRIPTIVE DATA FURNISHED BY VEALEY REGARDING LOCATION OF A VACANT BUILDING IN BROWNSVILLE, PA., THERE APPEARS ONLY TWO LOGICAL BUILDINGS TO BE CONSIDERED. THE FIRST IS COLUMBIA GAS CO., WHICH VEALEY HAS STATED IS NOT THE BUILDING IN QUESTION AND THE SECOND IS A BUILDING BEARING LARGE WHITE LETTERS, "BROWNSVILLE CONSTRUCTION CO.," ON WHICH IS SUPER-IMPOSED IN A CIRCLE THE INITIALS, "J.T." TO GET TO THIS BUILDING IT IS NECESSARY TO FOLLOW THE ROUTE FURNISHED BY GILLY ACROSS THE BROWNSVILLE BRIDGE, LEFT ON MAIN ST., RIGHT ON THE FIRST STREET WHICH COMES TO AN INTERSECTION OF FIVE STREETS. THE STREET TO BROWNSVILLE CONSTRUCTION CO. THEN PROCEEDS TO A DEAD END APPROXIMATELY ONE-EIGHT MILE AWAY. BEFORE REACHING

THE DEAD END, THERE IS A BARACADED BRIDGE UNDER REPAIR CROSSING A STREAM WHICH PARALLELS THIS DEAD END STREET ON THE LEFT SIDE. THE BARACADED BRIDGE, IF IN OPERATION, WOULD CARRY TRAFFIC TO AND FROM THE TOWN SQUARE, AS MENTIONED BY VEALEY. THE BARCADE EXPLAINED HEREIN IS ON THE OPPOSITE SIDE OF THE CREEK FROM THE AREA OF THE TOWN SQUARE. THE BROWNSVILLE CONSTRUCTION CO. BUILDING IS LOCATED ON THE RIGHT SIDE, PAST THE BARACADED BRIDGE, UNDER A RAILROAD BRIDGE AND IS ON THE RIGHT RATHER THAN LEFT SIDE OF THE DEAD END STREET. THIS BUILDING IS OF BOTH RED AND BUFF-COLORED BRICKS, IS TWO STORIES HIGH, HAS NUMEROUS BROKEN WINDOW PANES VISIBLE FROM THE STREET AND ON ONE SIDE THERE IS NOTICEABLE GROWTH OF WEEDS. THIS BUILDING IS BUT A PART OF A COMPLEX OF WHAT FORMERLY WAS THE BROWNSVILLE CONSTRUCTION CO., WHICH ACCORDING TO WALTER STUART, POSTMASTER, BROWNSVILLE, PA., WAS ORIGINALLY CONSTRUCTED FORTY TO FIFTY YEARS AGO BY WILLIAM TEGGART, WHO OPERATED A LARGE CONSTRUCTION COMPANY WHICH BUILT EVERYTHING FROM HOMES TO SERVICE STATIONS, COMMERCIAL BUILDINGS, ETC., AND WAS CONSIDERED AN EXCEPTIONALLY LARGE ORGANIZATION. ABOUT FIVE TO SIX YEARS AGO, THE BROWNSVILLE

CONSTRUCTION COMPANY BECAME THE J.T. SUPPLY CO., OWNED AND OPERATED BY JOHN TEGGART, ELDEST SON OF WILLIAM. JOHN IS DESCRIBED BY THE POSTMASTER AS A MAN OF MEANS WHO WAS ALWAYS CONSIDERED THE BUSINESS HEAD OF THE FAMILY. HE STILL RESIDES ON FRONT ST., IN BROWNSVILLE. WHEN THE BROWNSVILLE CONSTRUCTION COMPANY WAS IN OPERATION HEADED BY WILLIAM TEGGART, HE WAS ASSISTED BY THREE SONS, MAC, "CHUMY," AND JOHN TEGGART. HIS ENGINEER WAS WILLIAM WINANS AND HE EMPLOYED AN ARCHITECT, FNU HARRIS. WINANS' WIFE'S MAIDEN NAME WAS ENFIELD, WHO MAY HAVE HAD SOME RELATIVES FROM THE CLEVELAND, OHIO, AREA.

STUART SAID HE KNEW OF NO CONNECTIONS BETWEEN THE TEGGART FAMILY OR THEIR BUSINESS WITH ANYONE IN CLEVELAND, OHIO; KENTUCKY, TENNESSEE, OR IN THAT GENERAL AREA OTHER THE POSSIBILITY THAT MANY YEARS AGO, WILLIAM TEGGART BOUGHT LARGE QUANTITIES OF LUMBER, SOME OF WHICH MAY HAVE COME FROM THOSE AREAS. JOHN TEGGART OF J.T. SUPPLY CO., CURRENTLY OPERATES A CASH AND CARRY BUSINESS AND, WHEN NOT AVAILABLE, THE BUSINESS IS RUN BY MAHLON PRITTS, WHO RESIDES IN WEST BROWNSVILLE AND WHO HAS BEEN A LIFE-LONG RESIDENT OF THE BROWNSVILLE AREA.

END PAGE THREE

REGARDING THE IDENTITY OF ANY TONY WHO MAY HAVE BEEN CONNECTED WITH THESE COMPANIES, STUART SAID THE ONLY TONY HE KNEW WAS A TONY WILLIAMS, NOW DECEASED, A LABORER AND GARDNER WHO WORKED FOR BROWNSVILLE CONSTRUCTION MANY YEARS AGO. HE HAD A SON, SAM, WHO IS ALSO DECEASED, AND SAM HAS A SON, CARMEN WILLIAM, BELIEVED A LABOR LEADER IN THE ELECTRICAL UNION AND MAY RESIDE IN MONONGAHELA, PA., WHERE IT WAS BELIEVED HE RAN FOR SOME POLITICAL OFFICE IN NOVEMBER, NINETEEN SIXTY-EIGHT. STUART SAID THAT MEMBERS OF WILLIAMS FAMILY WERE THE TYPE WHO WOULD MAKE THEIR MONEY ANY WAY POSSIBLE, MEANING THEY HAD NO MORALS OR SCRUPLES.

STUART KNEW OF NO ONE CONNECTED WITH THE ABOVE-MENTIONED BROWNSVILLE FIRMS WHO MIGHT OPERATE A NINETEEN SEVENTY BUICK ELECTRA TWO TWO FIVE, KNOWING JOHN TEGGART OPERATES A FOUR TO FIVE YEAR OLD CHRYSLER AND HIS WIFE A FORD. HE KNEW OF NO RELATIVES OR ACQUAINTANCES OF ANYONE CONNECTED WITH THE TEGGART OPERATION WHO MIGHT LIVE IN CLEVELAND AREA, BUT SAID HE WOULD MAKE DISCREET INQUIRY IN THIS REGARD.

DETROIT DID NOT MAKE THIS POINT CLEAR BUT INFERRED THAT [REDACTED] [REDACTED] TOOK ONLY ONE OF THESE CALLS. THIS POINT SHOULD BE CLARIFIED. IT HAS BEEN ESTABLISHED NOW THAT, AS DESCRIBED BY

PITTSBURGH IS MAKING RENEWED EFFORT TO LOCATE THE TELEPHONE THAT WAS USED BY GILLY TO MAKE THE CALLS TO CLEVELAND ON OCTOBER TWENTY-FIVE. THERE IS LITTLE DOUBT IN PITTSBURGH'S OPINION THAT GILLY CONTACTED [REDACTED] FROM THE CLARKSVILLE, PA., AREA ON OCTOBER TWENTY-FIVE, AND IF IT IS POSSIBLE TO LOCATE THE TOLL RECORDS FOR THESE CALLS, AND PINPOINT THE TIMES, IT IS FELT THAT THE CALL RECEIVED BY [REDACTED] WILL FALL

BETWEEN THE TWO CALLS FROM CLARKSVILLE, PA.

AS PREVIOUSLY DETERMINED, GILLY MADE TWO CALLS FROM

Detective SID NUCKLES, Homicide and Robbery, Los Angeles Police Department (LAPD), advised on 2/3/70, that he presently has under investigation a murder case wherein one MAURICE MAYNARD, white male, born 6/4/32, was fatally shot while in the lobby of the Royal Host Motel, Los Angeles, on 2/13/68. One [redacted] white male, born [redacted] was also seriously injured when shot. Detective NUCKLES considers the shooting incident to be an outgrowth of a labor dispute involving the strikebound "Los Angeles Herald-Examiner" newspaper. The unknown subject in this case was described as a white male, age 30 to 40, 5'9" to 5'10", 200 to 220 pounds, dark receding hair, heavy build with noticeable pot belly. A second male of unknown description drove the getaway car which was believed to be a 1962 Chevrolet two-door, possibly a Biscayne or Bel-Air model.

Detective NUCKLES stated that a ballistics examination of the one bullet recovered from the body of MAYNARD showed the bullet to have been fired from a .38 caliber weapon with five lands and grooves with a righthand twist.

Detective NUCKLES requested standup photographs of the three subjects arrested in the YABMUR case and any information which would indicate that any of the subjects had ever been in the Los Angeles, California area.

Unless some reason exists to the contrary, Pittsburgh is requested to forward to Los Angeles the standup photographs of subjects PAUL EUGENE GILLY, CLAUDE EDWARD VEALEY and AUBRAN WAYNE MARTIN. Further, Pittsburgh is requested to advise Los Angeles whether investigation conducted to date would indicate that any of the above subjects had ever been in the Los Angeles area.

Pittsburgh is requested to furnish Los Angeles this information expeditiously.

Mr. [redacted]

Dear Mr. [redacted]

I've bothered you so often that I'm really embarrassed to take up more of your time, but [redacted] insists that I report certain things to you.

There is a young man by the name of [redacted] who lives

b6

b7D

[redacted]
[redacted] A while back - in May or June, he quit his job as a [redacted] because [redacted] had offered him a job - he was to book entertainment, etc. for [redacted] rallies. I don't want to go into all the details here, but [redacted] bragged that he was going to [redacted]

[redacted] he said. Several months later, [redacted] and a friend, [redacted] went into their own business together - apparently with a lot of capital. Recently, [redacted] told me about all his assets, his money in the bank, all his bills paid, etc. [redacted] He later denied telling me all this. The labor department began investigating this in connection with the mine workers election, and I heard that the FBI was also checking on him - from another source. [redacted]

b6
b7C
b7D

[redacted] I didn't think too much about it, except [redacted] then reminded me that it has been announced on radio, tv and in the newspapers that he is to speak to students at the University of Kentucky in Lexington that afternoon. [redacted]

b6
b7C
b7D

[redacted] I'm probably being an alarmist, but some of the things [redacted] said [redacted] were very strange and [redacted] asked me to inform you of the situation, as well as making you aware of the Wednesday "visit." If [redacted] was in bad trouble and they put enough pressure on him or perhaps threatened [redacted] then he might do anything. I just don't know.

PRESS RELEASE *Indy*

JANUARY 21, 1970

FBI Agents today charged three men in Cleveland, Ohio, with violating Federal laws in connection with the cold-blooded murders of union leader, JOSEPH YABLONSKI, and his wife and daughter in Clarksville, Pennsylvania, Attorney General JOHN MITCHELL announced.

FBI Director J. EDGAR HOOVER identified the three men as PAUL EUGENE GILLY, white, married, age 37, a house painter and a resident of 1846 Penrose, East Cleveland, Ohio, who was arrested by FBI Agents today; AUBRAN WAYNE MARTIN, also known as BUDDY, white, aged 23, a laborer and resident of 1953 West 50th Street, Cleveland, Ohio, who is confined in the Cleveland Work House on local charges of resisting arrest and burglary; and CLAUDE EDWARD VEALEY, white, age 26, a resident of the Cleveland area, who was also taken into custody by FBI Agents.

1 - 80-232
1 - 62-3366
ECB:rmr

✓ 62-3366-1302

The FBI Director commented that the three men were named in Federal warrants issued today in Cleveland, Ohio, with violations of Title 29, Section 530, United States Code, which concerns the interference with the rights of a union member by force or violence; Obstruction of Justice in violation of Title 18, Section 1503 of the Code; and also with the conspiring to violate Section 530 of Title 29. Additionally, VEALEY was charged under the Federal Firearms Act, which prohibits a convicted felon from transporting a firearm across state lines.

Mr. HOOVER stated that the warrants issued today resulted from a far-ranging and extensive investigation throughout the entire United States and that the investigation is continuing. The Pennsylvania State Police, added the FBI Director, has been working closely with the FBI in those phases of the investigation within the state.

The FBI Director advised that Mr. YABLONSKI, an Executive Board member of the United Mine Workers of America, had been defeated in December, 1969, in a hotly-contested election for the Presidency of the United Mine Workers of America. According to Mr. HOOVER, the bullet-riddled bodies of YABLONSKI, his wife, MARGARET, and 25-year-old daughter, CHARLOTTE, were found in their residence at Clarksville,

Pennsylvania, on the afternoon of January 5, 1970, apparently having been dead since December 31, 1969.

Reportedly, YABLONSKI had been stalked and his residence cased on several occasions prior to the commission of the crime iduring the early morning hours of New Year's Eve, 1969. Forcible entry was made into the YABLONSKI home, telephone wires were cut and automobiles on the property were disabled. A dog on the premises presumably did not alert the family to the activities of the intruders, who apparently had removed their shoes and attacked their victims in the dark.

According to the FBI Director, examination of the crime scene strongly indicated that YABLONSKI's daughter was the first to be murdered as she lay asleep, following which YABLONSKI's wife was shot in her bed. YABLONSKI himself, obviously attempting to reach a shotgun on the window sill in his bedroom, was shot five times and was found on the bedroom floor.

Mr. HOOVER advised that those charged today will be taken before a Committing Magistrate as soon as possible.

FBI Agents today arrested another individual in the Cleveland, Ohio, area in connection with the murders of union leader JOSEPH YABLONSKI and his wife and daughter in Clarksville, Pa., Attorney General JOHN N. MITCHELL announced.

FBI Director J. EDGAR HOOVER identified the arrested person as SILOUS HUDDLESTON, married, aged 61, a resident of LaFollette, Tenn., and the father of ANNETTE LUCY GILLY, who was arrested on February 5, 1970, by FBI Agents in connection with the same crime. The FBI Director commented that HUDDLESTON was taken into custody by FBI Agents on the basis of an indictment returned today by a Federal Grand Jury in Cleveland, Ohio, charging him with interfering with the rights of a union member by force or violence, obstruction of justice and also conspiring with others to interfere with the rights of a union member by force or violence. Penalties for the Federal charges against him range up to five years imprisonment and a \$10,000 fine.

Specifically the indictment charged HUDDLESTON with conspiring to kill YABLONSKI, who was to be a witness before a Grand Jury convened by the U. S. District Court for the District of Columbia and also with possessing a fund which would be used for the purpose of financing the conspiracy. He was ~~xxxxxxx~~ alleged to have invited various other persons, whose names are unknown to the Grand Jury, to join in the

conspiracy and also with meeting in LaFollette, Tenn., with PAUL EUGENE GILLY, who has been previously arrested on similar charges, on several occasions to discuss the terms of the conspiracy to kill YABLONSKI. Additionally, the indictment contained information indicating that several phone calls were made from Cleveland, Ohio, to HUDDLESTON in LaFollette in furtherance of the conspiracy.

MR. HOOVER advised that HUDDLESTON is currently the President of Local 3228, a pensioners' local, District 19, of the United Mine Workers of America, and has been a member of the UMW since 1933. Reportedly, he was a member of the union as a miner until 1942 or 1943, when he became an Organizer for the United Construction Workers, an affiliate of the UMWA. He worked as an Organizer in Tennessee, Kentucky and North Carolina until 1946. During the period from 1946 to 1948 HUDDLESTON was not employed in the mining industry; however, in 1948 he did return to mining-type work and was so employed until approximately 1963, when he retired on a UMW pension. He is known to have been a delegate to the National Conventions of the UMW, the most recent of which was in 1968.

The FBI Director commented that HUDDLESTON's son-in-law, PAUL EUGENE GILLY, the husband of ANNETTE LUCY GILLY and a house painter from East Cleveland, Ohio, was one

three individuals who were similarly charged by FBI Agents on 1/21/70. The other two, AUBRAN WAYNE MARTIN, a laborer from Cleveland, Ohio, and CLAUDE EDWARD VEALEY, a resident of Cleveland, were also charged by the FBI on January 21, 1970, and are in Federal custody.

The three also face murder charges filed by Pennsylvania authorities and a Federal Grand Jury in Cleveland, Ohio, returned an indictment on Thursday, January 29th, charging them with violations of various Federal laws. Specifically, the indictment charged them with conspiring together and with other individuals to kill JOSEPH YABLONSKI, who was to be a witness before a Grand Jury convened by the U. S. District Court for the District of Columbia and also with killing JOSEPH YABLONSKI and thereby interfering with and preventing the exercise of a right to which he was entitled by Federal law.

The FBI Director commented that today's arrest is part of the FBI's continuing nation-wide investigation into the murders of MR. YABLONSKI, his wife MARGARET and their 25 year old daughter CHARLOTTE, whose blood caked bodies were found on the afternoon of January 5th in their residence at Clarksville, Pa., apparently having been dead since December 31, 1969. MR. HOOVER advised that HUDDLESTON will be taken before a committing magistrate as soon as possible.

For info Denver and Salt Lake City, which offices may not have received full background regarding this case, info has been developed that TONY (LNU) is the person who set up the YABLONSKI murders and was instrumental in providing money for the murders. TONY may or may not be a code name, and investigation to date to identify him and to link him with PAUL or [REDACTED] CLAUDE VEALEY, BUDDY MARTIN, and SILLOUS HUDDLESTON has been unproductive.

ReNYtel 2/25/70.

The following information is set forth for the benefit of offices which have not received up to date data regarding this matter.

Investigation has been conducted regarding the murders of Joseph Albert Yablonski, his wife and daughter at Clarksville, Pennsylvania, where their bodies were found 1/5/70, apparently having been dead since 12/31/69. The Bureau has arrested Paul Eugene Gilly, Aubran Wayne Martin and Claudio Edward Vcaloy on charges of Interference With the Right of a Union Member, Obstruction of Justice and Conspiracy. Also arrested on the same charges were [redacted] and Silous Buddleston of United Mine Workers, La Follette, Tennessee, [redacted]

b6
b7c

Yablonski was defeated in the election for presidency of UMW 12/9/69. Reportedly a contract was let in July, 1969, when Buddleston offered \$4,239 to Paul Gilly

to have Yablonski killed. Gilly recruited Vealey and Martin to assist in the murders. Bureau skin divers located the Carbine rifle and revolver used in murders where they had been thrown in the Monongahela River, Pennsylvania. A shell casing found at the Yablonski home was identified as coming from the rifle which has since been traced to Gilly. The murder revolver was reportedly stolen in Tennessee by Gilly and has been visually identified by informants. Investigation to date indicates "Tony" (possibly used as a code name) was responsible for letting contract to kill Yablonski.

For the information of Philadelphia and Seattle, airtel reported that [redacted] also known as [redacted]

[redacted] has admitted being contacted by subject Paul Gilly approximately six months ago, at which time [redacted] was told Gilly had a contract and might need a place to stay. [redacted] stated Yablonski knew a contract was out for him because of interference by Yablonski in HON affairs. [redacted]

Enclosed for each office is a copy of identification record FBI number 4703703, which may be identical with [redacted]

New York should thoroughly check police and parole board records, particularly to ascertain any accomplices of [redacted] nature of offenses charged and other data relating to this case. Toll calls of [redacted] should be promptly secured. Ownership of automobile should be determined. Especially ascertain whether he has access to 1970 Buick Electra. Also, check should be made to establish whether [redacted] had any connection with the Evansville Construction Company of Evansville, Pennsylvania.

Re: YASMUR

In this regard, data furnished by informants has indicated the following descriptive material concerning "Tony:"

Silous Huddleston works for Tony, Tony does not pay Silous enough, burglaries committed by Gilly and others in Tennessee were set up by Tony, Tony was supposed to have a personal grudge against each burglary victim, Tony carries a weapon and wanted a .38 caliber pistol from one of these burglaries, Tony has a brother who lives on the east side of Cleveland, Ohio, Tony met Gilly 10/13/69 in Tennessee and gave him the money for the contract, Tony had a 1970 Buick Electra, 225, with all power including tilted steering wheel and Tony was alleged to have a strong dislike for Yablonski because Yablonski double-crossed him in a deal.

Philadelphia should determine facts of former arrests of [] identities of accomplices, information concerning union activities of [] his associates and any other pertinent data. Investigation should include inquiries about any transactions between [] and Yablonski which may provide a basis for grudge. Any connections of [] with Tennessee or Kentucky areas should be explored.

All offices should develop background information and activities of Reid which would be pertinent to this case.
